The SunSpree is Premier's Entry level pontoon.
This boat is equipped with the 3/4 SportToon Hull.
This gives some of the advantages of a TriToon without the price of a TriToon.
It has the new floor plan layout with new sea grass flooring.
This boat is powered by a Mercury 115 horse power engine with Tilt and Trim.
The panel color is Cranberry with an anodized rail.
A lot of boat for the money!
